# Roman Numerals for the Hundred Board

Designed to be printed on full sheet label stock. Laminate with a single layer of film only the single topside of each page. Cut out each numeral square, cutting close to the lines. Peel off the backing on the sticky side and adhere to one inch Color Tiles. Laminate the bottom portion of this page and use as a control sheet to help the child put the numerals in order. Use alongside the traditional Hundred Board materials to make comparisons.
